

Tent Air Conditioner

Features:

- Drainage-free design
- Electronic control panel, remote control
- The unique evaporation system contributes to efficient heat dissipation
- 3 speed adjustment, Turbine Fan
- R134a green refrigerant
- Turn on/off at 24-hour intervals
- Refrigeration/sleep/dehumidification/air supply 4 working modes
- Strong refrigeration/dehumidification
- Very low energy consumption
- Suitable for home, office, tent, parking

Product Parameters

Product Name	TY-T1pro	Working Voltage	220-240V-50Hz
Air conditioning Power	330w	Cooling capacity (W)	1300W/4000BTU
Air conditioning dimensions (WxDxH)mm	500*280*300	Net Weight	13Kg
Certification	CE, CB, RoHS, EMC	Packing dimensions (WxDxH)mm	563x335x535
Refrigerant	R134a	Max. Coverage	4-6m³
