

Gree Split Air Conditioner 1.5 Ton - Wifi Enabled - Inverter Compressor, R32 - iAiry32-18C3

- "G-Boost Inverter Compressor: It is a technical breakthrough of the inverter compressor. Compared with the conventional compressor, the single unit capacity is increased by 9.6%~14.5% and the energy efficiency is increased by 2.4%~8%."
- "G-Ai Technology: Air conditioners with G-Ai energy-saving technology can learn environmental changes and customer needs dynamically, always implement the optimal control strategy to achieve energy saving and comfort."
- "Intelligent Control: Achieve long-distance control of unit on and off, temperature and fan speed, etc. by APP in the mobile phone and wifi."
- "60S FAST COOLING: Enjoy fast cooling and fast comfort with G-boost inverter compressor."
- "Safe and Reliable: Self Diagnosis once wrong operation or failure happens, the unit will shut off automatically to protect the system. Meanwhile, protections or error codes will be displayed for maintenance."
- "Cold Plasma: The cold plasma device generates positive and negative ions to kill the bacteria and then decompose them into water."

Technical Details

Manufacturer	Gree
Part number	iAiry32-18C3
Item Weight	53.5 Kilograms
Product Dimensions	25 x 97 x 34 cm; 53.5 kg
Item model number	iAiry32-18C3
Size	1.5 Ton
Color	1.5 Ton
Power source type	Corded Electric
Voltage	240 Volts
Wattage	2022 watts
Installation Method	Split System
Noise Level	35 dB
Special Features	Inverter Compressor
Included components	Remote,stand,Battery pack
Batteries Required?	No
