

Gree Free Standing Air Conditioner 4.0 Ton - Wifi Enabled - Inverter Compressor, R410A - iFLOWIND-48C3-5

- Inverter Compressor: A powerful Inverter compressor for high ambient temperatures up to 54°C, unit operates on R410a refrigerant while reducing the environmental impact.
- Safe and Reliable: Self Diagnosis once wrong operation or failure happens, the unit will shut off automatically to protect the system. Meanwhile, protections or error codes will be displayed for maintenance.
- "Intelligent Control: Achieve long-distance control of unit on and off, temperature and fan speed, etc. by APP in the mobile phone and wifi."
- "Gold Fin: The unit adopts high-end golden fin with five-layer sealing coating for high efficiency and long-lasting protection; it's with features of super hydrophilicity, weather resistance, acid rain resistance, UV protection, corrosion resistance, wind erosion resistance."
- "3D Air Flow: The air guide louver can not only automatically swing up and down, but also left and right. It enables 3D airflow for wider air supply to enhance the comfort."
- Turbo Mode: Press "Turbo" button on the remote controller to enjoy a larger air flow, which enables the indoor temperature to reach the set temperature in a shorter time.
- "Child Lock: Activating the Child Lock function prevents accidental operations by children, thereby reducing potential risks"

Manufacturer	Gree
Part number	iFLOWIND-48C3
Item Weight	154 Kilograms
Product Dimensions	41 x 59 x 188 cm; 154 kg
Item model number	iFLOWIND-48C3
Size	4.0 Ton
Color	3.0 Ton
Power source type	Corded Electric
Voltage	240 Volts
Wattage	3800 watts
Installation Method	Split System
Noise Level	35 dB
Special Features	Inverter Compressor, Wifi Enabled, Self Diagnosis, Intelligent Control, Gold Fin, 3D Air Flow, Turbo Mode, Child Lock
Included components	Remote,Battery pack
Batteries Required?	No
